Gentlemen:

Please find enclosed two copies each of the revised Standard Operating Procedures (SOPs) for Ecology (5.0), dated May, 1991. The SOPs are a requirement of the Interagency Agreement for the Rocky Flats Plant, dated January 22, 1991.

You should note that DOE responses to EPA's March 1991 and CDH's February 1991 comments on the draft Ecology SOPs will be transmitted in the near future.

If you have any questions regarding the Ecology SOPs, please contact Bruce Thatcher of my staff at 966-3532.
